## **Christmas Market at the Museum Square**

Amsterdam's largest Christmas market is the one on the famous Museumplein. The 'Ice Village' is known for its delightful combination of skating and shopping in a magical winter wonderland. In 2022, the market can be visited from Wednesday 14th of December until Monday 26th of December.

## **Shopping in Amsterdam**

Besides Amsterdam's biggest Christmas market on the Museumplein, you can also do great Christmas shopping on the famous Kalverstraat, the PC Hooftstraat, and the Leidsestraat.

## **Christmas circus in Carré**

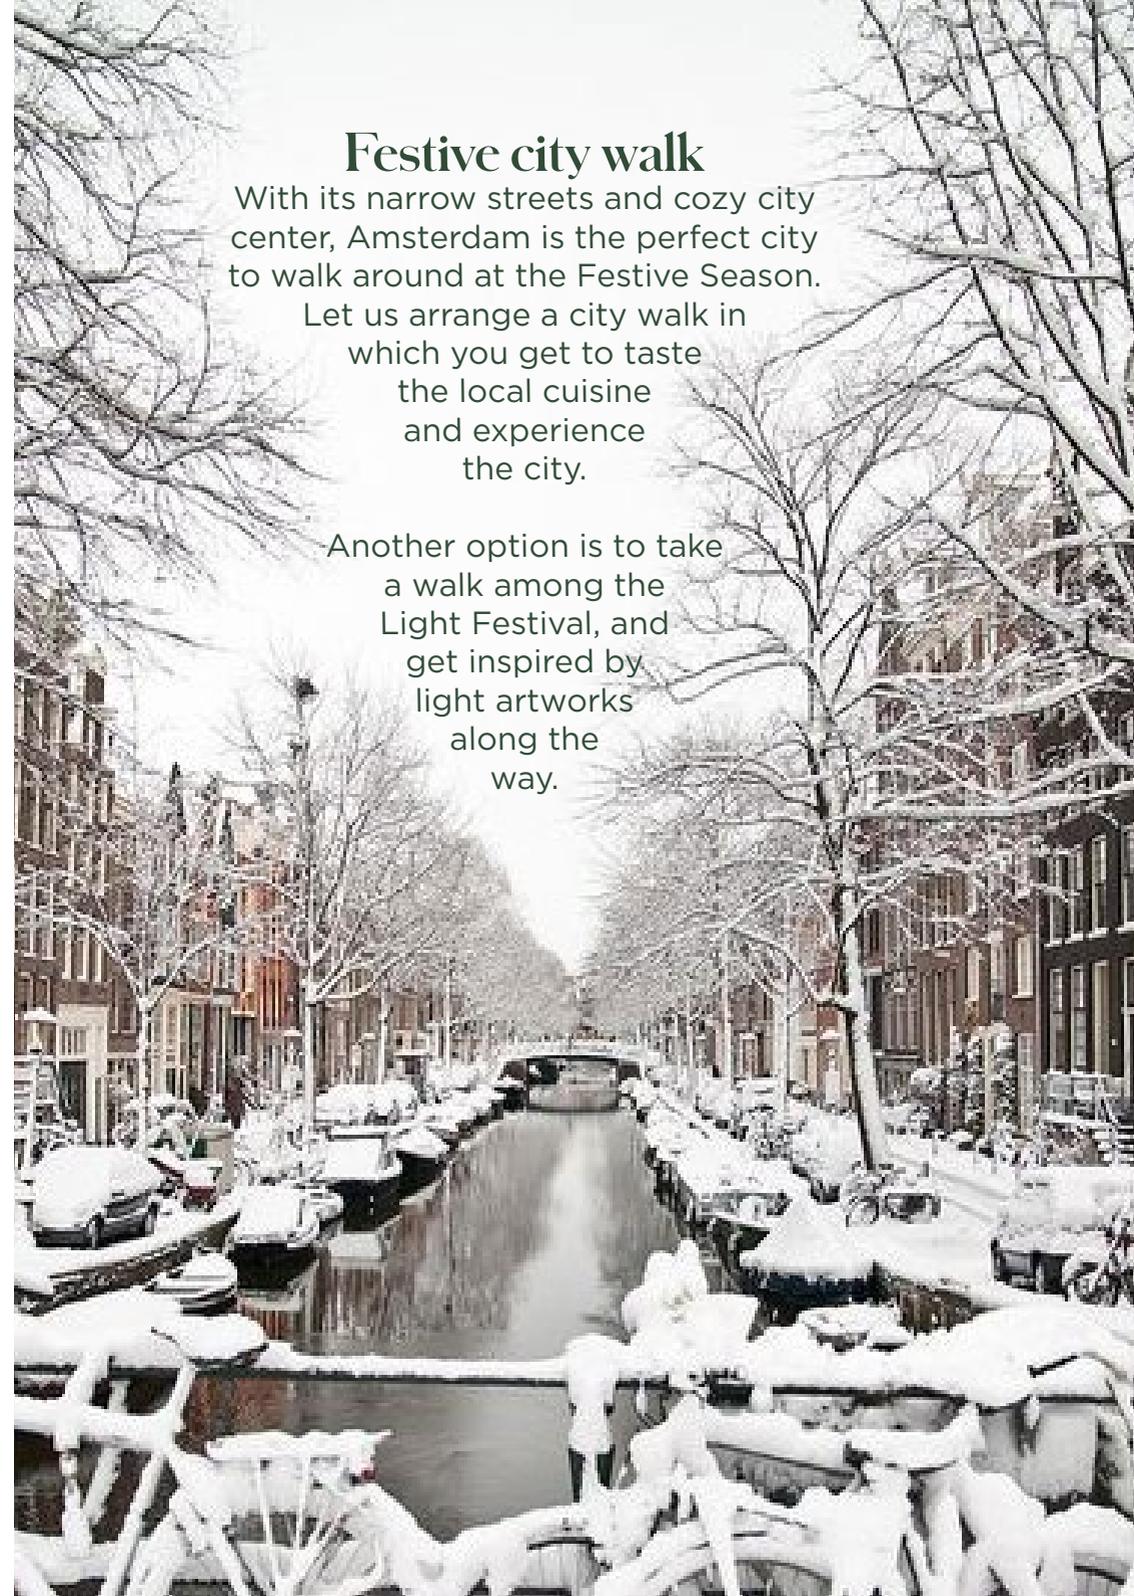

Just around the corner of The Amstel Hotel you can find the impressive Royal Carré theater, which in the month of December hosts the Impressive Christmas circus.

## **Festive city walk**

With its narrow streets and cozy city center, Amsterdam is the perfect city to walk around at the Festive Season.

Let us arrange a city walk in which you get to taste the local cuisine and experience the city.

Another option is to take a walk among the Light Festival, and get inspired by light artworks along the way.

### **Festive Boat tour**

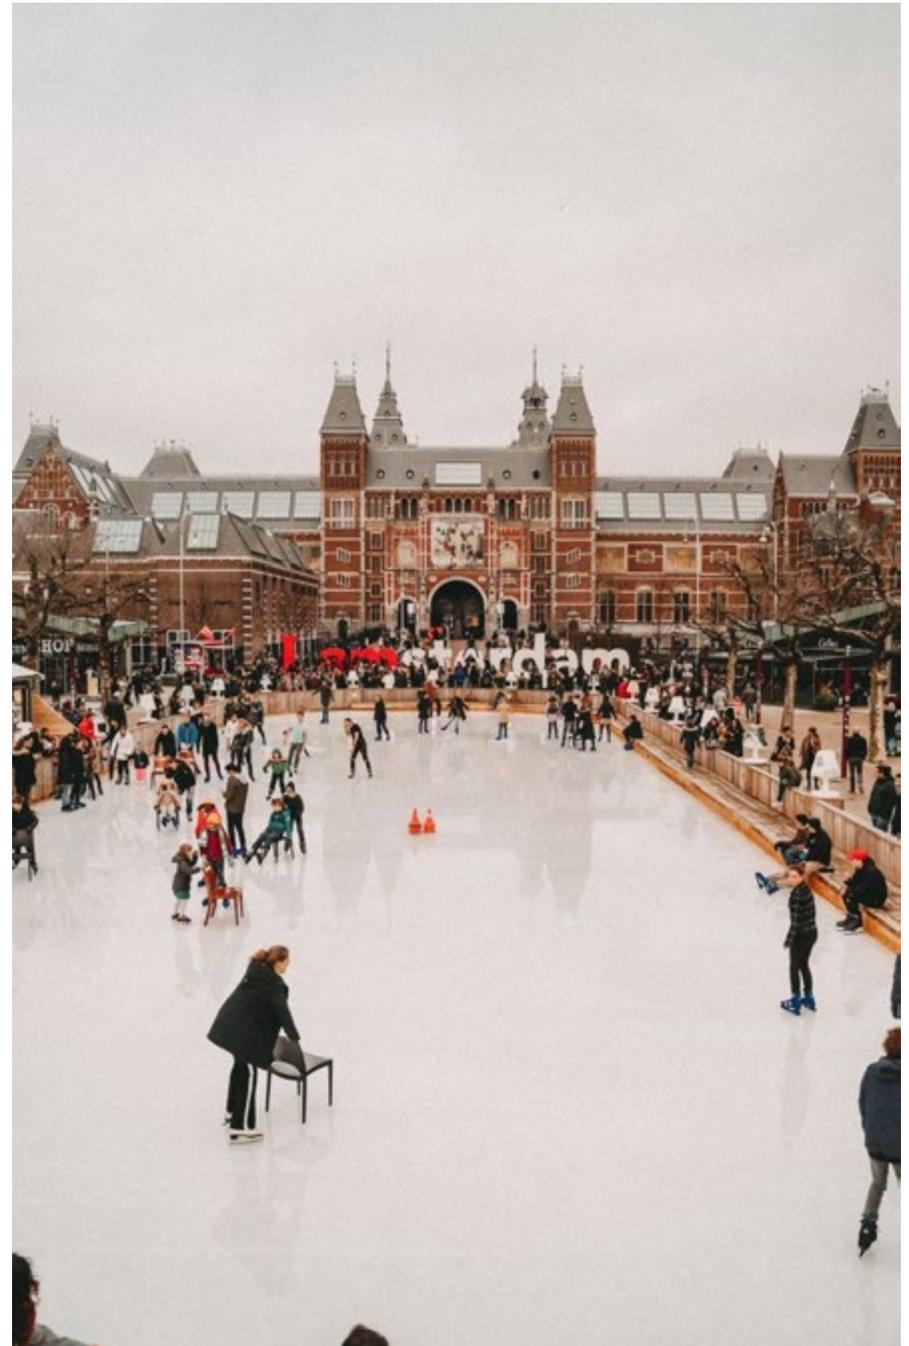

The famous Amsterdam Light Festival, which runs from December 1st until the 22nd of January, contains some beautiful artworks on the canals of the city center. This year's theme is called Imagine Beyond. At The Amstel Hotel, we can take you on a saloon boat through the canals, with snacks and drinks on board, to see and learn all about the beautiful works of art.

### **Ice skating at Museumplein**

Ice skating is unmistakably one of the most festive activities one could think of. The city arranges 'Ice Village', with next to the largest Christmas market a big ice rink, in front of the iconic façade of the Rijksmuseum, where you can show off your figure skating skills. An activity that can be enjoyed by young or old, in the day or evening.

### **Het Amsterdamse Winterparadijs**

From 15 December to 1 January 2023, the RAI will open its doors for the Amsterdam Winter Paradise. Both during the day and in the evening, you are welcome to get into the ultimate Christmas spirit. With typical winter (ice) activities, real snow, a Christmas market and artist performances, it will be a party, especially as this year's version is the largest ever organized.
