

## Dammann China Jasmine Chung Hao

Made from the finest Chung Hao green tea from China, this fragrant Jasmine tea is scented with young Jasmine blossoms. The blossoms are still closed when harvested and open up when added to the tea. The reason they do this, is to get the most flavor out of the tea, possible. The Jasmine tea has a slightly perfumed aroma and a sweet, delicate taste.

## Dammann Darjeeling

A beautiful pure black tea, grows in the Indian tea district Darjeeling, at the foot of the Himalayas on the border with Nepal. Darjeeling is known among connoisseurs as the champagne of tea. This tea has a spicy character and has light notes of almonds and ripe fruit such as peach.

## Dammann Miss Dammann

Is a mix of green tea and ginger, with the fruity, spicy notes of lemon and passion fruit. A fresh and lively melange. Originally from West Africa. A flowery, slightly sour tea, made of the Hibiscus flower. The flavours you

## Dammann Jardin Bleu

The Jardin Bleu is a combination of unsmoked Ceylon tea and black Chinese tea, to which they've added the scent of rhubarb and wild strawberry. It's accented by flower petals of the cornflower and hyacinth, which give the tea it's balanced flavour of flowery and fruity.
